70% Drafting

Under supervision of the Chief Draftsman, performs drafting duties involving original drafting of maps and charts from specifications, and corrections and additions to maps and charts submitted by contributors for the JANIS studies. This includes the layout of titles and legends, addition of stickmap names, scales and north arrows and the paste up of charts for correct reduction to JANIS specifications. Drafting of organizational charts.

30% Photo Retouching

Retouches photographs for clearer reproduction where needed, deleting material not pertinent, or strengthening objects and backgrounds of strategic interest. Annotates photographs with place and object names, scales and north arrows. Mounts air mosaics and matches photographs for panoramic views.
